**HELPFUL  
TIP:**

**Get a green machine.** Electric yard & garden tools offer a distinct advantage over their gasoline-powered counterparts. Electric trimmers and edgers use only a few dollars worth of electricity per year, they don't need costly tune-ups or filter replacements and they emit zero greenhouse gases. So go green and save yourself some green! For more information go to [www.acehardware.com/helpfulearthchoices](http://www.acehardware.com/helpfulearthchoices).
